**Date. 03.07. 2022**

**MERIT LISTING CRITERIA FOR PROGRAMMES WITHOUT ADMISSION TEST**

This is to notify that the merit list of the programmes without admission test would be prepared completely based on the inputs given by the candidates as per the criteria required for the specific programme (e.g. Class XI or B.Ed) at the time of submission of forms through Samarth. Since a correction window was provided and sufficient time was given to all candidates for any correction in academic data, no further consideration for errors would be entertained at any stage beyond the closure of the last date.
